Dear Parents and Carers

We sent a letter to you recently to update you about our Ofsted monitoring visit that took place last month. The two Inspectors who inspected us were very complimentary about Hamstead Hall Academy and concluded that we are still a good school. The full Ofsted report for Hamstead Hall is now available on our website for you to read. Ofsted will also publish it on their website from Tuesday 9 February 2016.

We are very pleased with the report and feel that it is a fair reflection of our work at the academy. We take great pride in comments such as "Overall, pupils make exceptional progress across all their subjects". We would like to take this opportunity to thank you for your continuing support to enable us to achieve the best outcomes for your child.

We would also like to take this opportunity to share with you some of the ways in which we are trying to improve communication with parents and carers further. We have an active twitter account, @Hamstead\_hall where we post updates and news items and would recommend that you follow us. We are also pleased to announce the launch of a mobile app, which you can download for free from Apple and Google Play App Stores. To download the app, simply go to the respective app store and search for 'School News' and select the e4education Ltd app. Once the app has been downloaded, enter our postcode, B20 1HL to subscribe to updates and opt into push notifications, allowing you to receive instant updates on important news from the academy.

Yours sincerely
