

## North Birmingham RTC - Course Plan for 2017/18

Winter Term Courses	Course Title (if customised course)	Description	Delivery	Lead Facilitator	Date	Location	STATUS
Introduction to iPad	Getting Started: Introduction to the iPad	<p>This is an introduction to using the iPad and is ideal for practitioners that have just got the device(s) or are planning to invest in them.</p> <p>The session is hands on and walks you through the key features and functionality of the device. It also focuses on using pre-loaded apps, as well as introducing some additional apps, to explore the benefits they may bring to your classroom.</p> <p>Overall, you will leave with an improved understanding of the device and be more confident in how it can be used in an educational setting.</p>	Face-to-face	RPB	27/9/17	Hamstead Hall Academy, Handsworth Wood, Birmingham.	Scheduled
Enhancing Productivity with the iPad	The Next Step: Enhancing Productivity	<p>This is can be a follow on session from session one or an ideal starting point for intermediate users.</p> <p>The session is hands on and builds on basics skills and confidence that has been developed from session 1 or you have built up yourself in using the iPad. We will explore multiple integrated apps that will enhance the productivity of our students in classroom. We will touch on 4 key ways to achieve this:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Productivity fundamentals</li> <li><input type="checkbox"/> Planning and sharing</li> <li><input type="checkbox"/> Getting organised</li> <li><input type="checkbox"/> Documenting and reflecting</li> </ul> <p>Overall, you will leave with the confidence to plan and develop a session the students workflow.</p>	Face-to-face	RPB	8/11/17	Hamstead Hall Academy, Handsworth Wood, Birmingham.	Scheduled

🌸 Spring Term Courses	Course Title (if customised course)	Description	Delivery	Lead Facilitator	Date	Location	
Fostering Creativity with iPad	Fostering Creativity with the iPad	<p>This session will allow you to use the iPad and apps to support creativity.</p> <p>The session will focus on 3 main stages of the creative process:</p> <ul style="list-style-type: none"> <li>- Brainstorming</li> <li>- Gathering Inspirational Resources</li> <li>- Telling Compelling Stories</li> </ul> <p>This should help make the learning more meaningful for the students. We will use a selection of inbuilt apps that will spark your creative side on how to use it best in your own classrooms.</p>	Face-to-face	RPB	TBC	Hamstead Hall Academy, Handsworth Wood, Birmingham.	<b>Tentative</b>
Other Customised Course	Movies, Digital Storytelling & Stop Animation	<p>The session is hands on and involves you in the creating, producing and directing your own movies on the iPad. It also focuses on using apps, such as Lego Movie, in a practical session. Also the session will include the use of a Green Screen.</p> <p>Overall, you will leave with the knowledge and confidence to try it in your own classrooms.</p>	Face-to-face	RPB	TBC	Hamstead Hall Academy, Handsworth Wood, Birmingham.	<b>Tentative</b>
Other Customised Course	How to engage reluctant writers	<p>The session is hands on and involves tackling a national problem of trying to engage reluctant writers.</p> <p>We will focus on using the iPad to address these questions:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> What should we write about? Inspiration.</li> <li><input type="checkbox"/> How should it be written? What structure should it follow?</li> <li><input type="checkbox"/> Which vocabulary to use?</li> <li><input type="checkbox"/> Why do I want to write? What do I get out of it?</li> </ul> <p>Overall, you will leave with the ideas and apps to try to engage reluctant participants in lessons and improve their literacy.</p>	Face-to-face	RPB	TBC	Hamstead Hall Academy, Handsworth Wood, Birmingham.	<b>Tentative</b>

☒ Summer Term Courses	Course Title (if customised course)	Description	Delivery	Lead Facilitator	Date	Location
